

# HAPPY ST. PATRICK'S DAY!

I can't believe you made such an amazing trap! It must have been a lot of hard work. I hope you had fun building it!

Every year kids try to catch us, so we leprechauns have gotten very good at escaping traps. You almost got me, so try again next year!

For trying your best and building such a cool trap, I've left you a small treat! If you do meet a leprechaun someday, make sure you're nice to them and they'll give you some good luck!

Until next year!  
Mr. Lucky Leprechaun
