

Hello there! It's me, your friendly Tooth Fairy,
popping in to say a big hello!

I wanted to tell you how excited I was to visit
you last night and collect your precious tooth.
You were so brave and wonderful!

In exchange for your tooth, I've left a little
surprise under your pillow. I hope it brings a
smile to your face just like you did to mine.

Keep being amazing and remember to take care of your teeth. They're
like little treasures that need extra love and care!

Sending you lots of fairy dust and warm wishes,

The Tooth Fairy
